AT YOUR SERVICE

Settling the bill.

When it's time to settle up, payments can be made by cash, credit card, or EFTPOS. Company charges or cheque payments are welcome with prior arrangement only. We accept major credit cards, including American Express, Diners Club, MasterCard, VISA, and UnionPay. EFTPOS is available too, though we don't offer a "cash out" facility. Just a heads-up: all credit card payments incur a service fee of 1.5%. Happy transactions!

Flying?

Canberra Airport is just 194km away – or as we like to call it, the perfect excuse for a scenic 2.5-hour road trip with snacks, singalongs, and pitstop selfies.

Time to go.

Check-out is at 10am on departure day. Need a little extra time? Come down to reception and we'll see what we can do. Late check-outs are based on availability and may come with a fee. Any charges not settled at check-out will be automatically charged to your credit card on file.

Car parking.

Chalets, studios, and apartments each have one allocated car space – so park it where it's marked. Got an extra set of wheels? No worries – overflow parking's on the resort map.

Bus.

Thredbo Shuttle's rolling daily from 9:30am–2:30pm during ski season. Book it or miss the bus – literally!

Tech Support.

Email your docs to FOLakeCrackenback@theoaksgroup.com.au and pick them up at Reception. Sorry, no USBs – we like to keep it simple!

Taking the trash out.

Don't be trashy! Bins are dotted around the Resort – check the map for your nearest dumping zone. Pop your rubbish where it belongs and keep things looking fresh!

Air conditioning.

If your room features air conditioning, you'll find your remote in a convenient location, perfect to help you adjust the temperature to your liking. Need help? Head to reception! For best performance, please keep windows and doors closed.

Love that view? Us too!

But please don't hang towels, clothes, or anything else over the balcony railings – and definitely no tossing stuff over the edge (we see you). All balconies and rooms are strictly smoke-free – any smoky business may result in extra charges. Keep it fresh, folks.

Be kind to our behind-the-scenes!

Our eco-friendly waste system is a little sensitive, so please only flush toilet paper – no extras, no exceptions.

Do your bit for the planet – every little flush counts!

Keepin' it cosy!

All rooms have a heating source, and some rooms have a fireplace – toasty vibes guaranteed. Need firewood? Grab some at Crackers General Store.

Heading out? Please switch off the heating and don't leave fires unattended. Let's keep the warmth in and the worries out!

No smoking zone.

Unless you're a BBQ grill master, smoking isn't allowed here! All rooms and common areas are completely NON-SMOKING. If there's any evidence of smoking or littering inside the room, extra cleaning charges will apply.

Keeping it tidy.

Your booking doesn't include daily cleaning, but if you need extra linen or amenities, just give Reception a buzz – fees may apply, but we've got you covered!

Breakages and damages.

We've got your room stocked with the essentials. Please report any breakages, missing items or damaged property to reception. Guests are responsible for the cost of replacing or repairing any damaged items.

Lock and key.

Your key to happiness, or your room key? However you see it, keep your key on you always and be sure to lock up when you leave. You get one set of keys per room, but we've got extras if you need them.

Stay Connected!

Complimentary WiFi is on tap at Cuisine Restaurant and Reception. Plus, most major phone carriers get full bars across the Resort – so you can Insta your adventures without a hitch!

Catch free-to-air digital channels or dive into Foxtel starting at channel 100. Feeling nostalgic? Grab a DVD from Reception for a small fee and get your movie night on.

*Heads up: Bad weather or wild winds might play havoc with reception – Mother Nature likes to join the show sometimes!*
