ABOUT WALLY THE WOMBAT

At Lake Crackenback Resort & Spa, we have a resident wombat that we have named Wally. Wally lives on the corner of Bullocks Drive & Rocky Road.

Children can draw a picture or write a letter to Wally and deliver it to his mailbox on the corner of Bullocks Drive & Rocky Road. Wally reads all his letters and may even respond to the children's letters.

There are some great walks around the resort for spotting wildlife including many of Wally's friends including kangaroos, deers, emus & possums.
