Oaks Cypress Lakes Resort's idyllic natural setting is complemented by a world class conference facility that can host any event - from a small management retreat, to a major brand launch, wedding, or special party. Located in the Hunter Valley, Oaks Cypress Lakes Resort also has many team building options to consider for your group. Onsite we offer golf sessions, access to hot air balloon rides, art designing, and spa treatments just to name a few.

We also work closely with many local companies and can arrange team building events, motivational presentations, and corporate health programs. Such activities include wine Olympics, archery, and 'The Amazing Race' inspired events. If your delegates are in need of some R&R we can provide yoga, Tai Chi, wellness seminars, and mindfulness training. Let's not forget the best part of the Hunter Valley, the local wineries. The Hunter Valley's cellar doors provide some great team building activities including behind the scenes with their winemakers, working in the vineyards or learning the science behind wine making.
